Key stage 1
Progression in Art and Design Skills

Winton Primary School

Exploring and Developing Ideas	Evaluating and Developing Work
Record and explore ideas from first hand observations Ask and answer questions about the starting points for their work Develop their ideas – try things out, change their minds Explore the work of artists, craftspeople and designers from different times and cultures for differences and similarities	Review what they and others have done and say what they think and feel about it. Identify what they might change in their current work or develop in future work

Drawing

Experiment with a variety of media; pencils, rubbers, crayons, pastels, felt tips, charcoal, ballpoints, chalk Control the types of marks made with the range of media	Lines and Marks Name, match and draw lines/marks from observations Invent new lines Draw on different surfaces with a range of media	Shape Observe and draw shapes from observations Draw shapes in between objects Invent new shapes	Tone Investigate tone by drawing light/dark lines, light/dark patterns, light/dark shapes	Texture Investigate textures by describing, naming, rubbing, copying

Digital Media	Painting	Printing	Textiles	3-D	Collage
Explore ideas using digital sources i.e. internet, CD-ROMs Record visual information using digital cameras, video recorders Use a simple graphics package to create images and effects with Lines by changing the size of brushes in response to ideas Shapes using eraser, shape and fill tools Colours and Texture using simple filters to manipulate and create images Use basic selection and cropping tools	Use a variety of tools and techniques including different brush sizes and types Mix and match colours to artefacts and objects Work on different scales Experiment with tools and techniques e.g. layering, mixing media, scrapping through Name different types of paint and their properties Colour Identify primary colours by name Mix primary shades and tones Texture Create textured paint by adding sand, plaster	Print with a range of hard and soft materials e.g. corks, pen barrels, sponge Make simple marks on rollers and printing palettes Take simple prints i.e. mono-printing Roll printing ink over found objects to create patterns e.g. plastic mesh, stencils Build repeating patterns and recognise pattern in the environment Create simple printing blocks with press print Design more repetitive patterns Colour Experiment with overprinting motifs and colour Texture Make rubbings to collect textures and patterns	Match and sort fabrics and threads for colour, texture, length, size and shape Change and modify threads and fabrics, knotting, fraying, fringing, pulling threads, twisting, plaiting Cut and shape fabric using scissors/snips Apply shapes with glue or by stitching Apply decoration using beads, buttons, feathers etc Create cords and plaits for decoration Colour Apply colour with printing, dipping, fabric crayons Create and use dyes i.e. onion skins, tea, coffee Texture Create fabrics by weaving materials i.e. grass through twigs, carrier bags on a bike wheel	Manipulate malleable materials in a variety of ways including rolling and kneading Explore sculpture with a range of malleable media Manipulate malleable materials for a purpose, e.g. pot, tile Understand the safety and basic care of materials and tools Form Experiment with constructing and joining recycled, natural and manmade materials Use simple 2-D shapes to create a 3-D form Texture Change the surface of a malleable material e.g. build a textured tile	Create images from a variety of media e.g. photocopies material, fabric, crepe paper , magazines etc Arrange and glue materials to different backgrounds Sort and group materials for different purposes e.g. colour texture Fold, crumple, tear and overlap papers Work on different scales Colour Collect, sort, name match colours appropriate for an image Shape Create and arrange shapes appropriately Texture Create, select and use textured paper for an image
